

# Get Flamingo-ed!

It's that time of year again...these crazy birds are landing on West Salem lawns **FUNdraising** for the 2017 WSHS Graduation Party.

We are taking special order flockings! Wanna make a SPLASH! at your next celebration? Send the flock to your house or some other WSHS senior's lawn for that special day! And, you choose the theme - formal, Titan spirit, luau...the options are endless. There are all kinds of ways to celebrate with these fine-feathered friends:

- Birthday Surprise
- Snoball or Prom invite
- Holiday Wishes
- Valentine's or St. Patrick Greetings
- Happy Mother's Day
- Congratulations!
- Happy Graduation
- Great job on your report card!
- Good Luck on your SAT or driver's test
- Get Well
- I love you
- Thinking of you...

You can even include a personal note (however, the flamingo flockers will pre-read all notes to ensure wholesome fun). The flock will even make visits at graduation time, roosting only one day at each stop during this popular season. All special orders are first come first served, and must be prepaid - so get your order in TODAY!

Thank you so much for your support!

Please send in the order form on the second page, or visit our website and order online!
