Re: **West Salem High School Drug and Alcohol Free Graduation Party Class of 2019**

Dear West Salem Graduate Parent, Guardian or Business Owner:

West Salem High School Class of 2019 graduation is just around the corner. Each year, parents plan and host a fun and safe Graduation Night Celebration where seniors can celebrate their achievements with their friends in a drug and alcohol free environment. This year's graduation is on Thursday, June 6, 2019.

This year we have over 400 graduates and they are all encouraged to attend the all-night Grad Party. Tickets are being purchased by seniors/families at a nominal cost to them. There will also be scholarships offered to students unable to pay all or part of the ticket price. No student is turned away. Continued support by the community will ensure that when West High seniors reach that special graduation night everyone will be able to attend the celebration.

The all-night Grad celebration is financed by the yearlong fundraising efforts of the parent grad celebration committee, donations from parents, family, friends, community organizations, and businesses. The success of the 16th annual West High Grad Celebration is a direct result of the support from community members like you. With that in mind, we are reaching out to you for assistance. Any monetary or in-kind donation would be greatly appreciated and help us cover the remaining expenses incurred in putting together an event this size.

To be successful, we really need your help. Any donation you could provide to this substance-free event for the future of West Salem High School is much appreciated.
